Dr vivek bindra net worth 2019

Vivek Bindra is a 41-year-old Indian business coach and motivational speaker. He is best known as a Youtube personality thanks to his popular Youtube channel, Dr. Vivek Bindra: Motivational Speaker, where he uploads videos that are meant to motivate and education. In this article, you will learn about Vivek Bindra's income, income, salary, early life and other information. Vivek Bindra Life Vivek Bindra was born on 5 April 1978 in Delhi. He had a very difficult childhood as his father died when Bindra had only dib before and his mother also got remarried. He completed his graduation from St. Xaviers College Delhi in 2001 and then completed his Master's in Business Administration from Amity Business College noida. He originally started a business, but was clueless about how to draw customers or how to market their business. After taking his business venture, he began reading Bhagvad Gita on the advice of a friend, which he claimed changed his life forever. He soon started researching more about growing business and came up with many solutions and ideas. He started marketing these ideas to people who wanted advice when setting up or growing their own business. He soon got an office and started marketing his services to mentorship and found many potential clients. At the same time, he opened a Youtube channel where he posted a motivational video in English. They didn't work much, so he posted a case study of the video brand and then motivational content in Hindi as well. That was when his channel took off and people started noticing him, especially in India. Along with Sandeep Maheshwari, Bindra is now one of the best motivational speakers from India.
